

RELIEVED RHEUMATICS

Recommending "Neutrone Prescription 99"

Since the introduction of "Neutrone Prescription 99," rheumatic sufferers no longer fear the changeable winter weather. This new combination has many heretofore incurable on its relieved list. "Neutrone Prescription 99" is different from others in that it treats rheumatism as a disease of the blood and by its general action eliminating rheumatic conditions. Its effect is immediate, as well as lasting, without any depressing after-effects.

The whole system is benefited—lame, stiff and inflamed joints disappear where other remedies have failed.

It helps Nature restore the blood to its natural, healthy condition in its positive action, re-supplying what Nature fails to supply fast enough. Mail orders filled, 50c and \$1.00 the bottle.

NORTH MONTPELIER

For the Red Cross benefit at North Montpelier hall, a very pleasing entertainment was given last Saturday evening, through the efforts of Mrs. Alice Hammit and Miss Ruth Patrick, who proved themselves quite equal to the occasion. Charles Patrick and two friends from Burlington entertained the good-sized audience for an hour in the funny little sketch, "Caught in the Act." It was well done and kept the people in a roar of laughter. Then came little Miss Stoddard, who gave a new popular war song, and Florence Currier in a clog dance. These young misses were a credit to the entertainment. Quartet singing by the Burlington fellows and local talent came next on the program, then "Mistake Bough," by local talent, Mr. Hillis and Mrs. Moorecroft taking the parts of baron and baroness. The other parts were taken by Mrs. Hammit, Mrs. Gray, Mrs. Conant and Miss Patrick, all looking charming with white hair and pretty dresses. The young men who took part were Clifford Storey, Charles Patrick, Ted Walker and Neil Converse. Everyone took their part so well there is no room for criticism. Money donations bought a beautiful down quilt, which was sold, also a charming doll and a bushel of seed potatoes. The entertainment was followed by dancing and all took part in a good time, voting that the North Montpelier people know how to entertain. The proceeds from this entertainment were \$425.11, which will help to swell the fund for the East Calais branch of the Red Cross.

"See 'Gets-It' Peel Off This Corn"

Leaves the Toe as Smooth as the Palm of Your Hand

The corn never grew that "Gets-It" will not get. It never irritates the flesh, never makes your toe sore. Just two drops of "Gets-It" and presto! the corn-pain vanishes. Shortly you can peel the corn right off with your finger and there you are—pain-free and happy.

It's Wonderful to See "Gets-It" Peel Off Corns! With the toe as smooth and corn-free as your palm, "Gets-It" is the only safe way in the world to treat a corn or callous. It's the sure way—the way that never fails. It is tried and true—used by millions every year. It always works. "Gets-It" makes cutting and digging at a corn and fusing with bandages, salves or anything else entirely unnecessary. "Gets-It" is sold by all druggists (you need pay no more than 25 cents), or it will be sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Barre and recommended as the world's best corn remedy by Cummings & Lewis.—Adv.

Mrs. O. C. Boyce, Aged 55, Died of Shock Yesterday.

Mrs. O. C. Boyce, aged 55 years, died yesterday morning after a long illness, culminating a few days ago in a partial shock, from which she did not rally. The family came here about 18 years ago, having previously lived in Gayville for a short time. Mrs. Boyce had been in failing health several years. She was born in Champlain, N. Y., April 3, 1862. Her maiden name was Henrietta Ketchum. She is survived by her husband and by two daughters, Mrs. F. W. Tuttle and Miss Amy Boyce.

The remains of Henry A. Wood of Barnard came yesterday from New Rochelle, N. Y., where he had been with his son, Charles, since last fall. Mr. Wood's funeral was held this afternoon in Barnard at the Universalist church, of which he was a prominent member and officer. He was a soldier in the Civil war, and was much interested in all military and patriotic movements. His wife died a year ago this month. He is survived by two sons, Ernest Wood of Everett, Mass., and Charles; a brother, Dr. N. P. Wood of Northfield, Mass., and a sister, Mrs. Lucetta French of Woodstock.

Mrs. F. A. Edmunds went Saturday to Newton, N. H., to attend the funeral Sunday of an aunt, Mrs. (Dr.) Axtell.

Ralph P. Shaw is ill with grip at his room at the Bascom house.

A Red Cross party in honor of St. Patrick was held yesterday at the home of Mrs. H. C. Scoville. The Carney sisters played Irish songs on the piano and violin. There were readings by Mrs. E. A. Marsh and Mrs. John J. Wilson and songs by Mrs. Marsh and Mrs. Scoville.

A son was born yesterday at the sanatorium to Mr. and Mrs. Rufus Howe of Royalton.

Mr. and Mrs. Fred O. Williamson have moved to Cornish, N. H.

Mrs. Guy Farr is in very poor health. H. G. Barnes was notified yesterday of his appointment to have charge of the selected highways in this town. Mr. Barnes was not a candidate for the appointment and was surprised when County Supervisor Noyes called on him and informed him of his appointment. The father of Mr. Barnes was for 12 years state highway commissioner in Massachusetts.

Mrs. R. E. Bundy began yesterday morning an engagement in the Adair coal office in Burlington.

NORTH RANDOLPH

Mrs. M. A. Cone is very ill with the grip.

Mr. Stevens has finished work for E. Lewis and moved his family back to Williamstown.

Lewis Hayward moved his family into Will Rutz' house last Friday.

Richard Savage is in Boston this week. George Bledgett passed his 85th birthday anniversary last Saturday.

Arthur Carpenter of Williamstown has hired E. N. Lewis' farm and took possession Monday.

Program for grange meeting Friday night: Music, grange choir; discussion, "Resolved, That the mail order houses are a benefit to the rural community"; piano duet, Miss Doris Ashline, Mrs. A. J. Wheatley; recitation, "Plain Buttons," by "The Man Without a Country," James Wheatley; vocal duet, Clifford Taft and Mahelle Taft. Mr. Burgwald will give a demonstration on cottage cheese making in the home. The social hour will be in charge of Mrs. Don Salter and Raymond Preston. Light refreshments will be served.

EAST MONTPELIER

The Red Cross unit of this village has gone on summer time. It will take money to keep supplies moving toward the trenches. Here is what they are going to do on March 23 in village hall. A box supper, dance and card party will be held. Coffee will be served at five cents per cup. Ladies who do not furnish boxes will be fined 25 cents. A good time is planned for old and young. No admission will be charged. Music, Dudley's orchestra. Come and bring your friends. Saturday evening, March 23, is the date. Dennis Paquette of Montpelier was a business visitor at the farm of Harry Vincent recently.

The Red Cross will hold a meeting on Thursday, March 21, at their rooms. All are requested to be present.

Mrs. Mary Dwinell, who was taken ill at the home of Mrs. H. G. Townsend, was moved to the home of her parents Saturday.

A. W. Clark of Marshfield visited at the home of his father Sunday.

EAST BROOKFIELD

Mr. and Mrs. W. C. Banister were Sunday visitors in Williamstown.

H. D. Wheatley from Bradford visited his parents, Mr. and Mrs. A. N. Wheatley, the first of the week.

The auction of Octave Dushaine was well attended and a good price was realized from goods sold. The farm was purchased by Mr. Cochran of South Barre.

Young people to the number of about 20 gathered at the home of Mr. and Mrs. W. W. Austin in honor of the 21st birthday of her brother, Glenn S. Newell. A delightful evening was spent in games and contests and a dainty supper of sandwiches, coffee, wafers, cake and ice cream was served by Mrs. Austin.

T. H. Martin is suffering with neuralgia.

The north branch junior Red Cross society are to present the cantata, "Woodland Witchery," on the evening of April 20. A conservation lunch will be served during the evening.

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

If Cross, Feverish, Constipated, Give "California Syrup of Figs"

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given to-day saves a sick child to-morrow.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

WAITSFIELD

Funeral of H. C. LaBelle Held on Sunday.

The funeral of Henry C. LaBelle was held Sunday at 2 p. m. in the Congregational church, Rev. William A. Remond, pastor of the church, officiating. The service was largely attended and interment was in the family lot in the village cemetery. The bearers were six in number: J. A. Smith, Herbert H. Smith, Edward LaBelle, Clarence LaBelle, Clayton Hubbard and Frank Hand. Mr. LaBelle was a carpenter of exceptional ability, until failing health compelled him to give up his work. For the past few years he has been suffering from hardening of the arteries, and had been in bed about a week, before going to the Fanny Allen hospital, where it was found he had enlargement of the heart, and where he died, the immediate cause of death being pneumonia, Wednesday night, March 13.

Henry Charles LaBelle was born in Waitsfield, Dec. 27, 1863, the fourth in a family of eight children, the son of Peter and Lucy (Tromble) LaBelle. Sept. 3, 1892, he married Mary, daughter of Lewis Peach of Montpelier, who survives him with three children, Clarence of the cavalry at Fort Ethan Allen, who is under orders to leave for France immediately; Blanche, wife of Clayton Hubbard; and a year-old boy. He is also survived by his aged mother and two brothers, Edward of Gayville, and one sister, Sarah, wife of W. C. Knapp of Woburn, Mass. Harriet L., wife of J. A. Smith, and Myrtle, wife of Frank Hand of Waterbury. Those attending from out of town were Edward LaBelle of Gayville, Henry Colby of Barre, Mr. and Mrs. Frank Hand of Waterbury, four daughters, Misses Freda, Florence, Lucile and Beatrice Hand.

The Y. P. C. class of the Congregational church met Saturday afternoon with their teacher, Miss Alice M. Bushnell, at the residence of H. N. Bushnell, about 20 young people being present. The occasion was a farewell to those of their number who are leaving now or in the near future for other fields of service. The evening was spent in working for the Belgium relief and also in singing, with the usual light refreshments. A pleasant time was enjoyed by all.

The sophomore play at the high school Friday night netted the treasury about \$6.

Mrs. Nettie Buzzell of Bellows Falls is visiting her son, John Buzzell, and daughter, Mrs. Francis Bragg.

Mrs. George Pierce spent the week end with her son, V. C. Pierce, in South Fayette.

Erle A. Jones was in Montpelier Saturday.

Mr. and Mrs. Edward H. Jones spent the week end in Waterbury.

Mr. and Mrs. Albert D. Barnard left Monday for Montpelier, where they will stay till Wednesday, when they go to their work in Brandon.

Walter A. Rice, who had been under quarantine for having been exposed to smallpox, left Friday for Camp Greene.

Erle B. Pierce left Monday for Boston, where he has been summoned to report to receive his assignment in the navy.

Charles A. Bingham was in Waterbury Monday.

Ward E. Joslin has been sent from Philadelphia to Quantico, Va., where he expects to remain a couple of weeks before joining the expeditionary forces in France.

Mrs. Hugh Baird is able to be down stairs, though still under the doctor's care.

Red Cross Notes.

At the Thursday meeting, Red Cross puffs were tied.

A junior Red Cross was organized Monday with the following committee: Mrs. Herbert H. Smith, Miss Alice M. Bushnell, Miss Louise Folsom, the latter being the treasurer of the junior Red Cross chapter funds.

The week of March 18-25 is set apart as a drive for getting 5,000 tons of clothing for the needy in Belgium and northern France. Vermont's quota is 82 tons and Waitsfield's quota is 400 pounds. This clothing must be strong and serviceable, not necessarily new or in the latest style. A special need is shoes, bedding, layette, and of usable clothing will be met this week and you are asked of your abundance to give, seeing that every member of your family spares at least one article. No rubber or articles containing rubber, as garters or suspenders, will be accepted. Your local chairman will give further particulars. Garments are to be handed in at the Thursday meeting. Let Waitsfield keep up her standard of doing her part in this war.

Seems That Way.

"Mamma," said small Henry, "I don't believe Solomon was half as rich as they say he was."

"Why not?" queried his mother. "Because," replied the youthful student, "it says here and he slept with his fathers." If he had been very rich I guess he would have had a bed of his own.—Chicago News.

Not That Kind.

"My dear, the doctor says I'm in need of a little change."

"Then ask him to give it to you. He's got the last of mine."—Baltimore American.

NERVOUSNESS ON THE DECLINE

Doctors Encouraged, They Hold Out Hope for All

"Nothing wrong but my nerves." We hear it at home, at work and everywhere. Certainly, nervousness is a disease. A man or woman might better have a broken leg than a shattered, run-down nervous system.

Overwork and worry drains the nerve cells and centers of all their strength and vitality, then you get your sleepless nights, poor blood, nervousness, worry and fear that goes with a worn-out, broken-down nervous system. The better doctors of to-day know just what to do in cases of this kind. They know that a few weeks' use of Phosphated Iron rarely fails to strengthen, stimulate and feed the phosphate-hungry nerve centers.

Phosphated Iron certainly does take hold. The way the majority of patients come back is remarkable. You can almost see their nerves grow steady, strong and peaceful.

What a change in appearance, too. The cheeks become filled out and flushed with the healthy, ruddy glow that only pure, red, ironized blood can give, eyes sparkle, their step has the spring and swing of youth and their whole system seems to be alive with energy and good spirits.

Mr. Nervous Man or Woman, Phosphated Iron will do all this for you. If you will give it a chance. Do not drag around all in and half dead, another day when life is so near. Get busy! and be a live one once again.

To insure doctors and their patients getting the genuine Phosphated Iron, we have put in capsules only, so do not allow dealers to give you pills or tablets. Insist on capsules.

MARSHFIELD

Dean A. Ladd of Barre, who recently closed a very successful term of school in the Bolles district, submits the following report: Ida Martin was absent two days during the term. The following named pupils of the school received at least 90 per cent in each of the term-end examinations: Carl Hartson, Warren Holt, Ida Martin, Lizzie Potter, Helen Potter, Josie Rathburn. Mr. Ladd has gone to his home in Barre to spend the vacation.

LEMON JUICE IS SKIN WHITENER

Cheap Home-Made Beauty Lotion to Remove Tan, Freckles, Saltness.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin whitener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach a darkened skin and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to whiten rough, red hands.—Adv.

John S. Lock of Eureka, Utah, arrived here Saturday to visit at the home of George Gee. Mr. Lock some 22 years ago went to the golden west, Salt Lake City, where some of the largest mines are located. He once resided in Danville and Peacham. Mr. Lock had some quite trying experiences on his trip here. After leaving Detroit, Mich., he was stalled on the train for 36 hours with very little food to be had at any price. The hard storms caused them more or less trouble on the trip from Detroit to Montpelier.

One of the worst storms of the winter visited us last Friday morning, making the roads in many places impassable. The mail man was unable to make his trip for the first time this winter, being unable to make even part of the trip.

Mr. and Mrs. Winthrop Colberth of Peacham pond visited at E. M. Putnam's two days last week.

W. R. Tibbitts was in Montpelier last Wednesday to answer to the call of juryman. Owing to his work, he was obliged to get excused.

OUR LINE OF DEFENSE

It is a moment of tense nerve—ready to slip out of the trench at the word of command—and at the enemy. Our men on the firing line are physically fit for military service because only about one man out of five was chosen to endure the hardships of this fearful war. But we must not be content with 20 per cent. in physical health of our American youth. We cannot afford to lose four men out of five because of physical unfitness. Such weaknesses can be cured. Many times the kidneys are to blame.

If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Surgical Institute, Buffalo, N. Y., says that you should drink plenty of water daily between meals. Then procure at your nearest drug store Anuric

(double strength). This An-uric drives the uric acid out. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons stored in the blood and which should be swept out.

If we wish to keep our kidneys in the best condition a diet of milk and vegetables, with only little meat once a day, is the most suitable. Drink plenty of pure water, take Anuric three times a day for a month.

Step into the drug store and ask for Anuric. In tablet form, 60c, or send Dr. Pierce 10c for trial package. Anuric, many times more potent than lithia, eliminates uric acid as hot water melts sugar. A short trial will convince you.

Infant Diplomacy.

Little Lydia had been given a ring as a birthday present, but, much to her disappointment, no one of the guests at dinner noticed it. Finally, unable to withstand their obtuseness or indifference, she exclaimed:

"Oh, dear, I'm so warm in my new ring!"—Youth's Companion.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headaches, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air-passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Adv.
